Marketing description (short) Our classic, tried and tested polo shirt is ideal for all uses, retains its shape, wash after wash - a top all-round performer.

Marketing description (long) Our classic polo shirt uses a unique double yarn. With two slim fibres this unique double construction creates a very durable and hardwearing fibre. Yet it also gives a softer, more cotton-like feel to the finished fabric, and an extremely stable surface for even the most intricate decoration and embroidery.

Decorator Notes The double yarn construction offers an extremely stable surface on which to work - particularly good for more intricate decoration.
